TOWN WARRANT

State of New Hampshire

To the Inhabitants of the Town of Hillsborough, County of Hillsborough, in said State, qualified to vote in town affairs:

You are hereby notified to meet in Child's Opera House in said town on Tuesday, the Fourteenth day of March next at ten of the clock in the forenoon, to act on the following subjects:

Article 1. To chose one Selectman for three years, Town Treasurer, Tax Collector, Highway Agent, Town Clerk and Chief of Police for one year, Trustee of the Fuller Public Library for two years, Trustee of Trust Funds for three years and all other necessary town officers or agents for the ensuing year.

Article 2. To hear the reports of the town officers to the auditors, the reports of the auditors, agents, committees or other town officers heretofore chosen or appointed and to pass any vote relating thereto.

Article 3. To raise such sums of money as may be necessary for town officers' salaries, town officers' expenses, Community Building, appropriations for street lights and all current expenses of the town and such amounts as may be necessary to apply upon the principal and interest of the town debt.

Aricle 4. To raise such sums of money as may be necessary for the building and repairing of highways, bridges and culverts.

Article 5. To see if the town will vote to raise and appropriate the sum of $100 for Memorial Day purposes.

Article 6. To see if the town will vote to raise and appropriate the sum of $500 to be applied upon the salary of the District Nurse.

Article 7. To see if the town will vote to instruct and empower the Selectmen to borrow such sums of money as may be necessary to meet current expenses of the town and in anticipation of taxes.

Article 8. To see if the town will vote to raise and appropriate a sum equal to not more than one one-hundredth of one percent (1-100 of 1 percent) of the assessed valuation based upon assessment of 1941 for the purpose of publicizing the natural advantages of the town, in connection with other towns in the Dartmouth-Lake Sunapee Region.

Article 9. To see if the town will vote to raise and appropriate the sum of $60.00 for the care and maintenance of the Town Clock, so-called, on Smith Memorial Church.

Article 10. To see if the town will raise and appropriate the sum of $400.00 for the purpose of co-operating with the State and Federal governments in the control of the White Pine Blister Rust or act in relation thereto.

Article 11. To see if the town will vote to accept State Aid for the permanent improvement of highways.

Article 12. To transact any other business that may legally come before said meeting.

Given under our hands this twenty-eight day of February, in the year of our Lord, nineteen hundred and forty-four.

THE DARTMOUTH-LAKE SUNAPEE REGION

The Legislature of 1937 authorized the establishment of six Regions, each comprising a group of towns suggested by the State Planning & Development Commission. The Dartmouth-Lake Sunapee Region comprises this town and 37 others in this section of the state. The Region is incorporated as a non-profit corporation and its affairs are supervised by a group of officers chosen annually. The Region employs a full time secretary who is **paid by the state** (not by the towns). Thus your Region is a set-up established by law and the matter of whether or not it has sufficient financial support to render real service to your community rests with the voters of the towns. During its existence the Dartmouth-Lake Sunapee Region can point to the following accomplishments. Through the publicity it has issued it has brought visitors to every town, some have established summer homes and others have become permanent residents. It has been instrumental in bringing industries to several towns. It has inaugurated plans that have saved historic landmarks. It has sponsored paying summer attractions. It has been active in bringing about a survey of our mineral resources that has resulted in revenue to many towns and has conducted studies of new agricultural products.

By an appropriation not exceeding 1/100 of 1 per cent of the assessed valuation the Region now asks the support of your town in continuing the program that has brought the aforementioned results and to institute the following three projects which if carried through must result in added income to each of the 38 towns of the Region. (1) A research of the possibilities of establishing industries that will use as raw materials, minerals within our area and make a study of the feasibility of the production, processing and sale of several agricultural products. (2) To cooperate with each of the towns in preparing descriptive pamphlets showing the attractions, natural advantages and resources of the community with the idea of eventually incorporating such material into a book descriptive the whole Region. (3) To establish a system of Recreation Trails following back highways and little used roads leading to senic areas and desirable locations in each of the 39 towns in the Region. Letters of inquiry regarding any matter here mentioned will be welcome, and given careful reply. Address, Dartmouth-Lake Sunapee Region, New London, N. H.

PRECINCT WARRANT

State of New Hampshire

To the inhabitants of the Hillsborough Bridge Village Fire Precinct in the Town of Hillsborough, qualified to vote in Precinct Affairs:

You are hereby notified to meet in the Precinct Hall in said Precinct on Monday, the twentieth day of March, 1944, at seven o'clock in the afternoon, to act upon the following subjects:

1. To choose a moderator for the ensuing year.

2. To choose one water commissioner to serve five years and one fire commissioner to serve three years.

3. To choose a clerk, treasurer, auditors, and other necessary precinct officers for the ensuing year.

4. To hear the reports of the fire commissioners, water commissioners, clerk, treasurer, auditors, and other officers and committees heretofore chosen, and to pass any other vote relating thereto.

5. To raise such sums of money as may be necessary for paying the current expenses of the Precinct, the debt of the Precinct, and any other charges arising within said Precinct.

6. To transact any other business that may legally come before the meeting.

Given under our hands this twenty-sixth day of February in the year of our Lord nineteen hundred and forty-four.

JOHN B. TASKER,
FRANK G. RUMRILL,
MARSHALL A. DERBY,
Board of Fire Commissioners.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Hillsboro Town School District:

I hereby submit my second annual report as Superintendent of Schools.

School Organization

School Board: Anton Johnson, chairman; John Moulton, secretary; Ethel Powell.
Superintendent of Schools: Howard F. Mason.
School Nurse: Mrs. George S. Bailey, R. N.
Attendance Officer: Henry Adams.

Teaching Staff

School	Teacher	Salary	N. H. Appr'vl
Center	Verna Crane	$1,050.00	Certificate
Flat	Susan Pierce	1,050.00	Certificate
Lower Village	Georgianna Gile	1,050.00	Certificate
Upper Village	Grace Crane	1,050.00	Certificate

The music supervisor, Katherine Shea, teaches music two days a week for a salary of $750.00.

Pupil Information

The following pupils had perfect attendance for the school year 1942-1943:

Center: Kenneth Murdough.
Flat: Sylvia Lougee.
Lower Village: James D. Cutler.
Upper Village: Charlotte Lyman and Patricia Perham.

The following pupils were graduated from the eighth grade in June, 1943: Walter Bumford, Gerald Durgin, Thelma Durgin, Robert Edwards, Philip Jordan, Sylvia Lougee, Ellen McClintock, Ruth Murdough, Hall Murphy, Lawrence Powell, Caroline Sweeney, Robert Sweeney, Sherman Sweeney.

Th present enrollment in the schools is: Center, 14; Flat, 20; Lower Village, 16; Upper Village, 19. Besides this there are 25 pupils registered at Hillsboro High School.

General Report

The schools of Hillsboro Town have continued in an even keel regardless of the turmoil which is boiling around in the world outside. A competent and experienced staff of teachers efficiently handle the work of their many grades and classes. The school board has authorized the purchase of all necessary and suitable supplies. Parents can rest assured that their children are obtaining the best education possible in a rural school.

As usual we have been bothered by problems of transportion. This would always be true in any district where one or two pupils live in far away parts of town. Miss Crane, the teacher, transports the Center pupils to her own school. To relieve the anticipated large enrollment at the Upper Village she also transports the seventh and eighth grades of the Upper Village to the Flat School. Mrs. Gile, the teacher at Lower Village, transports four pupils from the Merrill district to the Flat School and Wallace Carter to her own school. Mrs. Clark Smith transports four pupils from the Bear Hill district to the Flat School. Mr. Leedham transports Edna Mason to the Upper Village School. Mr. Edwards transports his children to the Center School. This has been an even more difficult problem because of the pressure of gasoline rationing with its many regulations. However, in spite of difficulties, nearly everyone seems satisfied and the registration at the four schools is almost equal.

Attendance has been very good this year in spite of the severe epidemics. Some schools have gone for months without a single tardiness and one school went for many weeks with 100 per cent attendance. Nevertheless there are still a few parents who, through carelessness or selfishness, keep their children out of school for invalid reasons. Except in an extreme emergency, no child of compulsory school age should be absent unless he is ill. Certainly they should not be kept out to work or go visiting. My sincere gratitude is extended to that vast majority of parents who attempt to have their children at school every day and on time.

Citizens of Hillsboro town will be interested to know that on the latest honor roll handed me by Headmaster Bell, three out of five receiving highest honors were from the Town District. Besides this one more pupil obtained second honors and three honorable mention. Three pupils had

maintained perfect attendance for the half-year. This should serve as good evidence of the ability of rural schools to prepare boys and girls for high school work.

Very little has been done to the school buildings or yards this year because of the shortage of material and help. Necessary repairs, of course, have been made. The pupils have continued with their active participation in the campaigns suggested to assist in the war effort. Many of them make a regular practice of purchasing war saving stamps each week at the school.

The usual dental work for all the pupils was done by Dr. Grimes this fall with the assistance of Nurse Bailey. If arrangements can be made we hope to give all the pupils a regular medical examination in the spring.

In conclusion I wish to thank the School Board and teachers for assisting me in maintaining good schools in Hillsboro town.

Respectfully submitted,

HOWARD F. MASON,
Superintendent.

SPECIAL SCHOOL DISTRICT WARRANT

The State of New Hampshire

To the Inhabitants of the Special School District in the town of Hillsboro qualified to vote in district affairs:

			5,175.00
			$28,381.98
To be taken from cash on hand as of June 30, 1944			5,000.00
Amount to be raised by taxation			$23,381.98

We estimate the amount required for the school year, July 1, 1944, to June 30, 1945, to be $33,556.98, details of the amount to be found in the proposed budget of the Hillsboro Special School District.

We estimate a balance of $5,000.00 on June 30, 1944. We expect tuition receipts of another $5,000.00, and $175.00 from the dox tax, making a total of $10,175.00. This leaves a balance of $23,381.98 to be raised by taxation.

The school debt has been reduced to $2,000.00, and the final payment will be made in January, 1945.

There are many improvements which the Board would like to make at each building, but it does not feel that any unnecessary expenditures should be made at this time.

We appreciate the splendid cooperation of both Superintendent and teachers during the school year.

GENERAL REPORT

We are now in the third year of the war. We hope that it will be the last year but it is doubtful if such is the case. Due to the war there have been many changes in our schools. Yet through it all we in Hillsboro have, at least to this point, been able to maintain adequate and satisfactory instruction for our young people, the real future of America. Due pride may be taken in this accomplishment for such is not the case in many communities in the United States today.

The seventh and eighth grades were moved up to the high school this year to provide them with a more varied program than was possible at the other building. Although the enrollment in both these grades and the high school was greater than we had anticipated the change was accomplished without any undo strain on our facilities at the high school. These pupils of grade seven and eight now have the advantages of specialized teachers in Manual Training. Home Economics and other subjects as well as the use of more and better equipment.

Very little has been done in the matter of permanent improvement to the school buildings this past year. Minor repairs have been handled as they became necessary. A very little necessary painting was done at each building but not nearly as much as could or should have been done. We refrained from doing it because of the cost of such work at this time. However plans should be laid now for meeting these expenditures when the war is over and things are more normal. Large items under this heading might be such things as the building of a proper stage at the rear of the gymnasium at the high school, the expansion of the Mechanics Arts department, the building of a new Grammar School. Besides these items, extensive repairs will have to be carried out.

In general school attendance has been excellent in Hillsboro. Many parents do much more than is expected of them in their attempts to have their children at school every day and on time. Nevertheless there are still a few parents who, through selfishnss or carelessness, keep their

children out of school for unnecessary reasons. The law in this case is very specific protecting the child even against his or her own parents. No child of compulsory school age should be out of school for any reason except sickness or an emergency. The only persons who may rule on the validity of an excuse are the teacher and the superintendent of schools. All parents and others having control of children are urged to cooperate in this matter of having pupils at school every day and on time. My heartfelt gratitude is extended to that vast majority of parents who are already doing this.

We are truly fortunate to have a properly trained, experienced and capable teaching staff in times like these when such teachers are almost impossible to find. Probably few communities in New Hampshire can duplicate this situation from which our young people are reaping the benefit. As always our custodians are continuing to keep the buildings warm and clean in their usual efficient manner.

I wish to call your attention to the two reports that follow.

In conclusion I wish to thank the school board, teachers and pupils for their excellent cooperation in helping me to maintain good schools in Hillsboro.

Respectfully submitted,

HOWARD F. MASON,
Superintendent.

To the Superintendent of Schools:

The opening day of school, September 1, 1943, marked the beginning of a new chapter in the long and successful history of the school.

This new chapter was the introduction of the seventh and eighth grades as the Junior High.

The inclusion of the Junior with the Senior High makes possible the development of a coordinated and integrated program which will do much to overcome the sharp break which so frequently appears between the eighth and ninth grades.

Contrary to all expectations, opening day showed an enrollment in the Senior High of 121 pupils, which with

the 63 in the Junior High gave a total of 184. This total in a few days grew to 190. This number is remarkable since many of the schools showed a sharp decline in numbers.

The new organization will be of great help in developing habits of punctuality, regular attendance, and individual cooperation.

Through the generosity of the School Board and the collective efforts of the pupils, it has been possible to secure a Sound Projector for the school. It is expected that in the near future a regular program of Visual Education may be introduced.

By means of standard tests and individual conferences it is hoped that the individual abilities and interests of each pupil may be learned. Guidance then will be offered to the end that the pupils may select those subjects and activities which may best help them to realize their ambitions and educational objectives.

The school is an active member of "Schools at War." It holds a citation from the Treasury Department witnessing to the fact that from September 1 to December 7, 1943, the members bought Bonds and Stamps to the amount of $1,169.00. This sum was dedicated to the purchase of a Jeep.

The Health and Physical Education program, following the outline of the Government's program, is continued this year. All the boys and girls participate in it, except those excused by the School Physician.

Medical examinations, including an eye test, have been given to all pupils in the Senior and Junior High. A hearing test has been given to all pupils by the School Nurse. Where necessary reports have been made direct to the parents.

In the field of music opportunities have been given to the Junior High and Freshmen to take part in chorus work.

Special emphasis will be placed on the fundamentals in the fields of English, Mathematics and Science, particularly where they have any bearing on the new demands made by the present war time requirements.

It would be desirable if courses in Aeronautics and Mechanical Drawing, including blue print reading, could be added another year.

The question as to whether hot lunches could be served during the winter deserves some consideration.

In conclusion, may I express my thanks to the teachers and pupils, who, by their willing cooperation, have helped so much in this new undertaking.

Respectfully submitted,

JOHN H. BELL,
Headmaster.

To the Superintendent of Schools:

School opened September 1 with 124 pupils. Through the cooperation of the School Board and Superintendent Mason a dream has come true. The 7th and 8th grades have been transferred to the High School. This lessens congestion on the playground and makes us truly an Elementary School. When war and the coal shortage are over we hope to use the 3rd floor for many activities. To do so we will need chairs for our audiences.

Miss Shea is doing a fine piece of work with our music. In fact we have a splendid group of teachers who work well together.

We are keeping up to state requirements and give special attention to Health. We still feel the need of an Art Teacher.

We all joined the Red Cross. So far this year we have bought $861.15 worth of stamps and bonds. We plan to give a program of folk dancing in April.

The last of May we plan a patriotic program to close the school year.

Respectfully submitted,

ALICE HAMMOND,
Principal.
